WGK Rainier,

The 2025/2026 Seahawks season is coming up soon and as you may know staffing a concession stand during the Seahawk games has been the major fund raiser for our Knights council for many years.

As in the past, we are going to need your help staffing the concession stand. No food or alcohol server experience is necessary and as always we can use new faces in the booth. The more people that we have available, the easier it will be to staff the games and raise these funds.

If you have worked with us at the stadium in the past please check your Class 12 Alcohol Server and Food Servers cards to make sure you're eligible to work the games. Here are links if you need to get or renew your cards:

If you are available for one or more games or just need more information, please let me know. You don't need to commit to specific games at this time, but if you can, that is helpful for planning.

If you have worked with us in the recent past and will not be available, please let me know that as well.
